

Wimbledon Greyhound Welfare (WGW) are selling some wonderful items donated by its supporters.

WGW is a small independent charity that rehomes over 100 greyhounds a year. Most have been gifted by their owners after they have finished their racing career.

WGW looks after all its hounds, however long it takes to home them, and supports new owners throughout the hounds' lives when they are lucky enough to be rehomed. There are approximately 80 hounds being cared for at any one time. Some hounds have been with the kennels many more years than anyone would ideally like. For example, Paddy was recently homed after 7 years, Joe was recently homed after 5 years, and the kennels currently still has other long-timers such as the adorable Faith (in kennels 5 years so far) and lovable Patrick (in kennels 3 years so far). This auction and other fund-raising events/donations/sponsorship/etc help to pay the vet bills, feed, and care for all the hounds that come through WGW's door, no matter how long they stay. The hounds are much loved but money is needed too. Please give what you can.

Bids on the items are invited up until 7pm on Monday 17th December 2018. Bids should be made via email to WGWauction@hershamsounds.org.uk or directly to Carol at the WGW kennels (Burhill Kennels, Turners Lane, Hershams, KT12 4AW, Tel: 01932 251894) where a list of items is maintained.

The highest bidders, as at 7pm on the 17th December, will be contacted by the end of the 18th December. Payment (bank transfer, paypal, cheque, or cash) will be agreed and should be made by Thursday 20th December. Collection should be made by end of Saturday 22nd December, unless otherwise agreed. If payment/collection is not completed, or alternative arrangements agreed, the items may be offered to the next highest bidder(s).

The kennels reserve the right to withdraw any item, for any reason, including if the bids fall below their reserve value.

If you would like to view any of the items, at the kennels, please email WGWauction@hershamsounds.org.uk. Viewing time is likely to be 11am to 12 noon on the 8th December.
