

How to Donate to WGW

The Easy Way Guide

Hi all you **eBayers** out there in WGW-Land!

I wish to bring to your attention a great new way of donating to your favourite charity – **Wimbledon Greyhound Welfare**.

As you know we are now an Independent charity, totally responsible for our own finances. There is no big organisation waiting to bail us out if things get difficult.

In these ever challenging credit crunch times we, as a charity need and cherish every single penny received in donations.

If you look at the Home Page of our Hersham Hounds Web Site it gives you information on how to donate, in the many different ways that you can these days electronically, either with your phone or computer.

However - if you are like me and enjoy using **eBay** to buy and sell online, then there is now an even easier way to donate while selling and having a bit of fun in the process.

Wimbledon Greyhound Welfare is now registered with **eBay** as a charitable organisation to which you can donate a percentage of your selling total to WGW.

The amount donated can range from **10%**, to **the full 100%** of the total sale price.

The donation will go directly to WGW and the Hounds we love. Couldn't be easier!

How to do it:

When setting up an item to sell, the selling listing screen will allow you to click on a button to donate to a chosen charity. The 'button' is located near the end of the selling listing page at the point before you set the postage prices.

Once 'clicked' this button will take you to a further, easy to use screen, with an alphabetical list of the chosen charities, and of course WGW is under the letter 'W'.

If you're having a general clear out, or thinking of getting rid of items you would take to the local High Street charity shop – please think first of your favourite charity - WGW. Get your family, friends & neighbours involved and spread the word for WGW.

It's fun to see how much you can make as the auction unfolds online, and the feel-good factor is even better at auction end – especially if you have donated **100%**.

If you can help in this way, and in doing so have a little fun on the side! Then get cracking and have a little 'de-clutter' sale.

Remember: Every Single Penny Counts.

We will hope to publish the eBay fund raising totals as they mount up – but you will soon see as an individual eBay seller, the good work you will be doing for our beautiful long tailed friends.

Think; Donate to WGW when using ebay.
